POSTGRADUATE BURSARY

awarded by

**The Department of Civil Engineering
Stellenbosch University**

from the

**AURECON BURSARY FUND FOR
POSTGRADUATE STUDIES IN
CIVIL ENGINEERING**

2017

A number of bursaries are available for full-time postgraduate studies towards the degrees MEng (Research) or MEng (Structured) or PhD in Civil Engineering at Stellenbosch University.

Bursary value: MEng R80 000, PhD R100 000, all inclusive

Conditions: The bursaries are available for historically disadvantaged South African students. Please see the attached contractual agreement with the Department of Civil Engineering for further details. Limited Bursaries available.

Application process:

- Please complete the application form and submit it by email or deliver it to the contact person. The deadline for submitting an application is Thursday, 1 September 2016.
- All applications are evaluated by a committee consisting of the Head of Department and Coordinator of Postgraduate Studies of the Civil Engineering Department, Stellenbosch University, and delegates of Aurecon South Africa (Pty) Ltd, sponsors of the bursary.
- Candidates will be informed of the outcome by 31 October 2016.

Contact Person:

Mrs IC Mclvor, room S404, Civil Engineering building, Stellenbosch University.
