

BURSARIES FOR CIVIL ENGINEERING STUDENTS: 2021

RUMDEL

CAPE

[Rumdel Construction \(Cape\) \(Pty\) Ltd](#) is a Category 9 CE CIDB construction company with a track record of undertaking large and complex projects. People have always been the key to this success. Our bursary programme is designed to foster future growth, ensuring that we have the capability to evolve and to expand the boundaries of construction endeavour in South Africa and beyond our borders.

[Rumdel Cape offers Bursaries for Full time Study](#) in order to meet its needs for skilled people. We are seeking students who are top achievers with leadership abilities.

[What does the Bursary cover?](#)

Successful applicants will enter into a bursary agreement with Rumdel Cape. The bursary covers the following:

1. Tuition Fees
2. Accommodation
3. Text book and stationery requirements

VACATION WORK: this is an additional benefit of the bursary which will enable you to meet the on-site practical experience which is a condition for you to complete your degree.

[What will Rumdel Cape expect from me?](#)

The bursary will be awarded based on your academic record and other key competencies such as leadership, initiative, business acumen, etc. Rumdel Cape will provide Vacation Work during the June/July and Dec/Jan holidays.

There is a work-back requirement in order for you to “pay off” your bursary, i.e. 1 year of service per year sponsored.

Applications to: kevint@rumdelcape.co.za

Website: www.rumdelcape.co.za

Location(s) Head Office: East London. Regional Offices: Durban and Johannesburg. Sites: National

[How do I apply?](#)

All applications for bursaries should be in writing and contain a motivation letter, detailed Curriculum Vitae with full academic record, Matric Certificate and a reference from your school and/or Faculty.

Please submit the above documents to kevint@rumdelcape.co.za .
