

GRADUATE RECRUITMENT: CIVIL ENGINEERING STUDENTS – FOR 2022

RUMDEL

CAPE

[Rumdel Construction \(Cape\) \(Pty\) Ltd](#) is a Category 9 CE CIDB construction company with a track record of undertaking large and complex projects. People have always been the key to this success. Our bursary and Graduate Recruitment programmes are designed to foster future growth, ensuring that we have the capability to evolve and to expand the boundaries of construction endeavour in South Africa and beyond our borders.

With an expanding order book and potential further projects both locally and in Southern Africa, we have extended our bursary program to include graduate recruitment.

Who can apply?

If you meet the following criteria you are welcome to apply:

1. You are a South African Citizen
2. Solid academic record

Why a career with Rumdel Cape is attractive

Rumdel Cape is one of the larger independent civil engineering contracting companies. We operate on a lean basis and people who show ability and dedication progress quickly and are readily given opportunity and responsibility.

We offer a competitive remuneration package with the usual large company benefits such as pension, medical aid and bonus schemes.

Financial Assistance

If financial assistance is required for your final year, this can be arranged and will operate on a work-back basis.

Vacation work

If practical, you will be required to undertake vacation work in your mid-year break.

When do you need to apply?

Closing date is end June 2021

How do I apply?

All applications should be in writing and contain a detailed Curriculum Vitae with full official academic record, Matric results and a reference from the Faculty.

Please submit the above documentation to kevint@rumdelcape.co.za .
